

Source Task
(予め学習したタスク)

Target Task
(学習予定のタスク)

知識の再利用

```
graph LR; A["Source Task  
(予め学習したタスク)"] -- "知識の再利用" --> B["Target Task  
(学習予定のタスク)"]
```

The diagram illustrates the process of knowledge reuse. It features two rectangular boxes: 'Source Task (予め学習したタスク)' on the left and 'Target Task (学習予定のタスク)' on the right. A blue line connects the bottom of the Source Task box to the bottom of the Target Task box, forming a U-shape. The text '知識の再利用' (Knowledge Reuse) is centered below this line. The line has a small arrowhead pointing towards the Target Task box.
